September 2024

Dear Private School Administrator:

Thank you for your interest in the National Blue Ribbon Schools Program. CAPE is honored to facilitate the NBRS application process for private schools. Pre-registration is required, you may do so now at the link found [here](#), by October 28, 2024.

CAPE's website [Blue Ribbon Schools - Council for American Private Education \(capenetwork.org\)](http://Blue Ribbon Schools - Council for American Private Education (capenetwork.org)) and the Department's application contain important information regarding the 2025 program. Review CAPE's website and the application carefully. We receive more applications than we are able to submit to the Department (our quota is 50), so we often have to eliminate schools because of noncompliance with detailed technical requirements. To avoid this outcome, read the requirements closely. The FAQ section provides clarification regarding the rules governing the program and to respond to evolving questions. Private school applications will be evaluated and processed according to the guidance, standards, procedures, and timeline published on CAPE's website.

Here is the private school process at a glance:

- **By October 24, 2024:** School officials must register for the program using the online registration form. Schools not registered by October 27 are not eligible to apply.
- **After November 11, 2024:** School officials receive an email notification containing a school code and keyword that they can use to access their online application.
- **By January 10, 2025:** Schools must submit their applications via the online portal by 5 PM, January 10.
- **By February 21, 2025:** CAPE provides school officials with feedback from the application review process and advises them whether or not their school will be among the 50 to be nominated.
- **By March 21, 2025:** Schools selected by CAPE must have online edits completed by this date.
- **By April 11, 2025:** CAPE submits final applications for nominated schools to the Department of Education.
- **September 2025:** The Secretary of Education announces the 2025 Blue Ribbon Schools.

Do not hesitate to contact CAPE with any questions you might have regarding the application or the program. Messages about the program are best received at brs@capenet.org.

Sincerely,

Michael Schuttloffel
Executive Director
